EXPERIENCE

Operations and Team Leader 11/2025 – 05/2026

Levi's, London

- Led daily back-of-house operations, keeping stock flow, deliveries and inventory records accurate in a fast-paced retail environment.
- Processed and checked incoming deliveries, organised the stockroom and completed replenishment efficiently to keep the shop floor fully stocked.
- Coordinated with management and cross-functional store teams to prioritise tasks, maximise productivity and maintain high service standards.
- Upheld company procedures and health and safety standards, maintaining a safe, compliant and well-organised workplace.

Canvasser 09/2025 – 11/2025

Barnet Council, London

- Engaged directly with residents to collect accurate information, providing clear communication and a positive customer experience.
- Planned and managed daily routes independently to meet productivity targets and complete assignments within deadlines.
- Maintained accurate records while complying with council procedures, data protection and confidentiality requirements.

Sales and Customer Service 07/2023 – 09/2025

Levi's, London

- Consistently exceeded sales targets by identifying customer needs, recommending complementary products and improving the shopping experience.
- Handled enquiries, transactions and concerns professionally, resolving issues efficiently and building strong customer rapport.
- Delivered tailored product recommendations based on customer needs, adding value to every interaction.

Junior Full-Stack Developer09/2022 – 07/2023
CiiSec, Remote

- Collaborated in a six-member team to develop a full-stack web application for assessing and tracking cybersecurity skills.
- Built front-end and back-end features using HTML, CSS, JavaScript, Python and SQL.
- Designed wireframes and interactive prototypes in Figma to improve user experience and align the team on requirements.
- Produced technical documentation and supported testing, debugging and implementation of stakeholder feedback.

Project and Operations Assistant06/2022 – 09/2022
EL Joinery, London

- Maintained project documentation, schedules and Excel trackers covering budgets, material costs and project progress.
- Liaised with suppliers and sourced cost-effective material alternatives, reducing project expenses and improving margins.
- Supported client meetings by recording requirements, confirming design specifications and assisting final approvals.
- Worked with workshop and installation teams to deliver projects on time and to quality standards.

Administrative Assistant06/2021 – 09/2021
Worxzone, Watford

- Handled customer enquiries by phone and email, scheduling consultations and keeping clients and contractors informed.
- Organised project documentation, invoices, quotations and supplier records for accurate, efficient administration.
- Coordinated appointments, deliveries and contractor schedules across refurbishment and installation projects.
- Maintained company records and updated internal systems to support day-to-day operations.
